Teaser	If you want to practice the dental profession in Germany without restrictions, you need a state license, the Approbation.
Volltext	After your studies and specialist training, you can apply for a license to practice dentistry. With the award of the license to practice dentistry, you are entitled to practice the profession of dentist in Germany independently and on your own responsibility. The license is issued for an unlimited period and is valid for the entire Federal Republic of Germany.
Erforderliche Unterlagen	• Proof of identity • Birth certificate or a current excerpt from the family register of the parents • if applicable, marriage certificate/registered civil partnership (proof in case of name change) • Curriculum vitae in table form • Official certificate of good conduct (document type O) • The certificate of the dental examination in the original or as a certified copy. • Declaration as to whether there are any pending criminal or public prosecution proceedings against the applicant. • Medical certificate, not older than one month, stating that the applicant is not unfit to practice the profession from a health point of view.
Voraussetzungen	The license to practice dentistry is granted upon application if you:

Modul
Sachverhalt

- have completed the prescribed training and passed the state examination.
- have not been guilty of any conduct which would render you unworthy or unreliable to practice medicine
- are not unfit for the practice of the profession from a health point of view,
- have the knowledge of the German language required for the exercise of the profession.

Kosten

Is based on the respective administrative fee regulations of the state or on the fee statutes of the bodies responsible under state law.

Verfahrensablauf

- You submit the application for licensure including all required documents to the competent authority.
- The competent authority confirms receipt of the application and the documents and certificates within one month and informs you which documents and certificates are missing.
- The competent licensing authority will check the requirements for licensure.
- After positive completion, you will be sent an Approbation certificate against acknowledgement of receipt or with a certificate of service.

Bearbeitungsdauer

The competent authority shall decide on the application no later than three months after receipt of the required documents and certificates.

Frist

You do not have to observe any statutory deadlines when submitting your application.

Hinweise

There are no clues or specifics.

Rechtsbehelf

Objection (depending on state law, the objection may be excluded), administrative court action

Kurztext

- Licensing as a dentist
- In order to be able to work as a dentist in Germany, a separate professional license, the Approbation, is required.

Modul	Sachverhalt
	• The license is granted upon application • Prerequisite for the application in the procedure for the regular Approbation is the training within the Federal Republic of Germany. • In the case of training completed abroad, equivalence must first be determined. • Competent authority: The competent authority is the authority of the country in which the applicant passed the dental examination.
