Please note that, in addition to the permit requirement for the prostitution trade, there may be other permit or notification requirements under other regulations, in particular under the provisions of restaurant, trade, building, water or immission control law. A permit for the special use of public road areas may also be required.

In addition, notification must be given at least two weeks before the prostitution vehicle is set up if the prostitution vehicle is to be set up on more than two consecutive days or several times in one month within the local jurisdiction of an authority.
