Volltext	Non-profit and commercial collections of recyclable waste, so-called recyclable materials from private households, must be notified at least three months before the start of the collection. Street or container collections of textiles and shoes, for example, as well as waste paper collection points, must be notified. The collection may be prohibited, limited or subject to conditions by the competent authority. • Recyclable materials from private households must be handed over. This means that they must always be handed over to the public waste disposal authorities. • The commercial or non-profit collection of recyclable materials (recyclable waste) is only permitted if this has
