Teaser	You can obtain a residence permit to carry out a qualification measure if you would like to work in Germany but your professional qualification has not yet been fully recognized by the competent authority in Germany.
Volltext	<p>You can obtain a residence permit to undertake a qualification measure if a recognition procedure has been carried out at a body responsible for the recognition of professional qualifications in Germany and the recognition body has determined that the qualification measures are necessary for the - the recognition of your professional qualification (determination of equivalence to a domestic professional qualification) or - for the granting of a license to practice the profession (access to the profession) are required. Qualification measures include adaptation and compensation measures in theoretical and practical form (internships in companies, theoretical courses, mixed forms), preparatory courses for examinations and language courses. The residence permit for the recognition of foreign professional qualifications is a temporary residence permit. It is issued for the duration of the qualification measure, but for a maximum of 18 months. With your residence permit to exercise foreign professional qualifications, you are allowed to work up to 10 hours per week independently of the qualification measure.</p>
Erforderliche Unterlagen	- Valid passport - Current biometric photo - Visa, if required - Deficiency notice from the recognition office

## Modul

## Sachverhalt

- Proof of at least sufficient German language skills at level A 2 - Proof of the intended qualification measure, further training plan if applicable - Proof of livelihood - Tenancy agreement - Proof of your health insurance

## Voraussetzungen

- You have a recognized and valid passport or passport substitute and - if required for entry - an appropriate visa. - There is no interest in deporting you. - Your stay does not jeopardize or impair the interests of the Federal Republic of Germany. - The body responsible for recognizing your professional qualification in Germany has issued a decision stating that you lack the practical or theoretical knowledge or skills required to achieve full equivalence and that adaptation, compensation measures or further qualifications are required to establish the equivalence of your foreign professional qualification with a German professional qualification. If you work in an occupation that is subject by law or administrative regulations to the possession of certain professional qualifications (e.g. doctors, nurses, lawyers, teachers, educators or engineers, so-called regulated professions), it must be clear from the notification that adaptation or compensation measures are required for the granting of the professional license. - You have successfully registered for a corresponding qualification measure. - The qualification measure is suitable to enable recognition of the professional qualification or access to the profession. - You have at least A2 level German language skills - In the case of predominantly in-company vocational training, the Federal Employment Agency has approved the qualification measure if approval is not dispensable (approval is usually obtained from the Foreigners' Registration Office). - Your livelihood is secured.

## Kosten
