Volltext	Tax advisors and tax agents may maintain additional advisory offices, provided this does not impair the fulfillment of their professional duties. The head of the additional advisory office must be another tax adviser or tax agent who has his professional establishment at the location of the advisory office or in its vicinity. Sentence 2 does not apply if the additional advisory office is located in another member state of the European Union or in another state party to the Agreement on the European Economic Area or in Switzerland. The Chamber of Tax Consultants responsible for the professional establishment may permit an exception to sentence 2 upon application. If the additional advisory office is located in another Chamber district, the Chamber of Tax Advisors responsible for the additional advisory office must be consulted before granting the exemption.
