## Modul

## Sachverhalt

The general ban on working on Sundays and public holidays does not apply to activities that serve to meet the particularly prominent needs of the population, such as

- Services of general interest (for example in the care of the sick or the care of animals),
- services (for example in restaurants or cab companies) and
- Leisure activities (for example in theaters, soccer or leisure facilities)
- Use in emergencies and exceptional cases (work that cannot be postponed, such as repairs to burst pipes or storm damage to roofs).

Maximum limits apply for certain exceptions.

In Lower Saxony, you also need a permit to compensate for unreasonable competition from abroad by working on Sundays or public holidays.
