Teaser	The state provides grants to improve the infrastructure of existing fishing ports and landing sites with funds from the European Maritime, Fisheries and Aquaculture Fund (EMFAF) and the state of Lower Saxony.

Modul	Sachverhalt
Volltext	The state provides grants to improve the infrastructure of existing fishing ports and landing sites with funds from the European Maritime, Fisheries and Aquaculture Fund (EMFAF) and the state of Lower Saxony. Funding is only granted for projects that are in line with the German program for the EMFAF 2021-2027. You will receive funding for, among other things • Investments to improve working conditions • Investments to improve energy efficiency
Erforderliche Unterlagen	• Completed application form plus attachments • Project description • Balance sheets and profit and loss account for the last 3 years • Detailed financing cost plan • Offers to check the plausibility of the costs
Voraussetzungen	• The project must be in line with the German program for the EMFAF 2021-2027 approved by the European Commission. • Applicants must be owners of fishing ports in Lower Saxony. • The investments must take place in ports in Lower Saxony. • The de minimis limits according to No. 5.6 of the funding guidelines must be reached.
Kosten	There are no costs.
Verfahrensablauf	• You apply for funding by submitting all relevant documents to the LWK • The granting authority decides whether to approve your application and issues a grant notification • Once proof of use has been submitted, the eligible expenditure is determined by means of an assessment notice. • The grant will be paid out after submission of an application for payment
Bearbeitungsdauer	The processing time varies depending on the scope and type of funding

Modul	Sachverhalt
Frist	Deadlines for the applicant only arise from the grant notification.
