	based on "time spent" in accordance with tariff number 40.3 of the Annex to Section 1 (1) ALLGO.
Bearbeitungsdauer	You can start the auction if you have submitted the auctioneer's notification in good time and have not received any notification to the contrary from the competent authority before the auction date.
Frist	Notification must be made in writing or electronically no later than 14 days before the auction date. The receipt of your complete auctioneer notification is decisive for compliance with this deadline. In exceptional cases, particularly in the case of perishable auctioned goods, the authority may shorten the deadline upon request
weiterführende Informationen	
Hinweise	<p>You may only start a new auction at the location of the previous auction if the previous auction ended at least five working days ago. No auction may exceed six days. The competent authority may allow exceptions to the aforementioned time limits in individual cases, particularly in the case of property auctions, if necessary after obtaining an opinion from the local Chamber of Industry and Commerce.</p> <p>Subsequent notification of individual auctioned items is possible if the requirements of the Auctioneers Ordinance are met. The subsequent registration (notification) must be made immediately.</p>
Rechtsbehelf	<p>Appeal (depending on national law, an appeal may be excluded),</p> <p>administrative court action</p>
Kurztext	<ul style="list-style-type: none"> • An auctioneer must notify the competent authority and the Chamber of Industry and Commerce in whose district the auction is to take place in writing or electronically at least two weeks before the planned auction date • The auctioneer must have a license in accordance with the Trade, Commerce and Industry Regulation Act.

Modul
