Sachverhalt

Type of weapons and ammunition

When transporting firearms or ammunition within the European Union to an arms dealer in another Member State by or on behalf of a holder of a permit pursuant to Section 31 (2) WaffG, a declaration referring to this permit may be carried instead of the permit pursuant to paragraph 1. The declaration must be made on the official form provided for this purpose and contain the following information

- the name of the Member State of consignor and consignee, the countries of transit, the mode of transportation and the carrier
- the consignor, the person obliged to make the declaration and the consignee: Name and address of the company, telephone or fax number
- about the permit according to § 31 para. 2 WaffG: Date and number of issue, issuing authority and period of validity
- on the prior consent of the other Member State or exemption from prior consent: Date of issue and issuing authority, indication of weapons; a duplicate of the prior authorization or exemption shall be attached to the declaration
- on the weapons: for firearms: Number and type of weapons, category according to Annex 1 Section 3 WaffG, company name or registered trademark of the manufacturer, model name, caliber, manufacturing number and C.I.P. proof mark, if applicable for other weapons: Number and type of weapons
- about the ammunition: Number and type of ammunition, category according to Directive (EEC) No. 93/15 on the harmonization of the provisions relating to the placing on the market and supervision of explosives for civil uses (OJ EC No. L 121 p. 20), manufacturer's company name or registered trademark, calibre and, if applicable, C.I.P. ammunition test mark;
- the delivery address: precise indication of the place to which the firearms or ammunition are dispatched or transported.
