Teaser	Here you will find information about the trainer aptitude test
Volltext	If you would like to work as an instructor in a recognized training occupation, you must provide proof that you have the necessary vocational and occupational pedagogical skills, knowledge and abilities. The proof must meet the requirements of the Trainer Aptitude Ordinance (AEVO). It is usually provided in an examination which is conducted by the competent authority. You will be issued with a certificate if you pass the examination. The AEVO applies to all trainers who wish to provide training in recognized training occupations in accordance with the Vocational Training Act. The only exception is training for members of the liberal professions. Upon request, the competent authority can exempt you from the obligation to provide proof if you can demonstrate your professional and educational aptitude in another way and if proper training is
