Teaser	Here you can find out whether the municipality offers a senior citizens' pass and how to obtain it.
Volltext	Some municipalities offer a senior citizens' pass for senior citizens and early retirees, usually depending on their income. The senior citizens' pass offers, for example, the opportunity to visit museums or exhibitions free of charge or at a reduced rate, as well as to take part in lectures, training courses, excursions or various other activities. The aim of the senior citizens' pass is to make it easier or possible for lower-income older citizens in particular to maintain contact with their peers and actively participate in social life. As a rule, the senior citizens' pass must be applied for annually.
Erforderliche Unterlagen	Identity card, pension certificate if applicable. If the senior citizens' pass is issued on the basis of income, proof of monthly income and monthly expenses is required. It is therefore recommended that you contact the relevant authority in this regard before submitting your application.
