Teaser	You can report the installation of a prostitution vehicle to your local public order office.
Volltext	<p>Prostitution vehicles are motor vehicles, vehicle trailers and other mobile equipment provided for the provision of sexual services. If you wish to set up a prostitution vehicle for operation on more than 2 consecutive days or several times in 1 month, you must notify the local public order office 2 weeks before setting it up. The operating location and operating hours must not conflict with the requirements for the protection of the following groups of people</p> <ul style="list-style-type: none"> • the prostitutes working in the prostitution vehicle, • the customers, • young people, • local residents, • local residents and • the general public. <p>Otherwise, the installation of the prostitution vehicle may be prohibited. Failure to report a prostitution vehicle correctly, completely or in good time is an administrative offense and can be punished with a fine of up to EUR 1,000.</p>
Erforderliche Unterlagen	Notification of the installation

Modul

Sachverhalt

- First and last name of the vehicle owner and full name of the operator of the prostitution vehicle,
- Vehicle or vessel registration number of the prostitution vehicle,
- exact details of the installation site,
- duration of the installation and
- the operating hours.

Permit for prostitution business with operating concept

- Copy of the permit for the operation of a prostitution business with the underlying operating concept
- The operating concept must clearly show whether the vehicle has sufficient interior space and appropriate interior fittings. In particular, the prostitution vehicle must be designed in such a way that doors can be opened from the inside at any time help is available at all times through technical devices, adequate sanitary facilities and a valid operating license is available and the vehicle is in a technically operational condition.
- If applicable, also a copy of the deputy permit, if available
