Teaser	You can receive a grant for multiple births
Volltext	The birth of multiples presents families with special challenges: The simultaneous care and supervision of several children (especially infants and toddlers) is not only a joy and care but also an enormous effort for the families and, last but not least, a financial burden. Multiples living in Brandenburg (from triplets) can therefore receive one-time financial support from the Prime Minister of the State of Brandenburg. It does not depend on the place of birth of the children. The decisive factor is that they live in Brandenburg. The donation is primarily symbolic and is intended to honor the special importance of family and children for our society. Sponsorships of the Prime Minister are not planned.
Erforderliche Unterlagen	• Children's birth certificates • Proof of the main residence of the applicant and the children • Proof of personal custody of parents other than biological parents
Voraussetzungen	Residence of multiples in Brandenburg The multiples must not be older than 16 years when the donation is made.
Kosten	
Verfahrensablauf	It is sufficient to send an informal letter or an e-mail to the Prime Minister of the State of Brandenburg about the birth of the multiples. After a positive examination of the above criteria, a one-time financial donation can be made, which will be transferred to the specified bank account.
