Remark:

Additional fees may apply for the issuance of the residence permit in the form of the electronic residence permit, which can also be used as an electronic proof of identity.

**Verfahrensablauf**

- Find out whether your foreigners authority allows you to apply online or has a special application form.
- If the application can only be submitted in person, make an appointment at the Aliens' Registration Office. In the case of online application, the Aliens' Registration Office will contact you after receiving your application to schedule an appointment.
- During the appointment, your identity and documents will be checked (please bring your documents, if possible in original, to the appointment).
- If your application is granted, your fingerprints will be taken for the production of a new electronic residence permit (eATKarte). The Aliens' Registration Office will order the production of the eAT card from the Bundesdruckerei. After completion, you will receive information and can pick up the residence permit at the responsible office. The eAT card must always be collected in person.

If your application is rejected, you will receive a rejection notice.

**Bearbeitungsdauer**

Duration: approx. 8 Further information on processing time: It takes about 4 to 6 weeks for the Bundesdruckerei to produce the electronic residence permit.

**Frist**

Residence permit extensions should be applied for no later than six to eight weeks prior to the expiration of the original residence permit. More information about the deadline: The residence permit is issued for a maximum of one year. An extension is only possible if this period has not yet been exhausted. Objection period: 1 month
