A mere part-time school education does not meet these requirements.</p> <p>This is generally issued for the respective duration of your purpose of residence.</p> |

Voraussetzungen

In principle, the same requirements must be met for the extension of the residence permit as for the initial issuance of the residence permit. That is:

- Your selected school will continue to ensure school classes with a composition of students from different nationalities.
- You will be able to secure your living expenses and health insurance coverage for the duration of your stay from your own resources without recourse to public benefits. The current BAföG rate (Bundesausbildungsförderungsgesetz) is used as a guideline.
- There is no interest in deportation against you.
