| Teaser | If you are commissioned to calibrate and/or install tachographs and the existing card has been lost, you will need a workshop card to carry out these tasks. |
| Volltext | <p>The workshop card is a tachograph card that is issued to an authorized tachograph manufacturer, installer, vehicle manufacturer or workshop. It identifies the card holder and enables the tachograph data to be checked, calibrated and downloaded.</p> <p>The workshop card is used by specialists at workshops authorized in accordance with § 57b StVZO who install and calibrate digital tachographs, as well as by tachograph manufacturers. It is PIN-protected and valid for 1 year. The PIN number is sent to the technician's home address</p> <p>When submitting the application, the approval or commissioning of the workshop in accordance with § 57b StVZO and proof of training of the responsible specialist (technician) must be submitted. The documents must not be older than 3 years.</p> <p>The end of validity of the workshop card to be replaced corresponds to the end of validity of the previous workshop card if the remaining term is more than 185 calendar days. You can apply for a replacement if your workshop card is lost or stolen.</p> <p>Each responsible specialist may only be in possession of 1 workshop card per employment relationship.</p> |
