Teaser	If you want to transport animals, you need a license as a transport company before you start your activities. The application must be submitted to your competent veterinary office.
Volltext	<p>Transport companies that transport vertebrate animals in connection with a commercial activity require a license depending on the duration of the transport.</p> <p>There are two types of approval:</p> <ul style="list-style-type: none"> • Approval for transports with a duration of up to 8 hours (type 1) • Authorization for transports with a duration of more than 8 hours (long transport: type 2) <p>For a type 1 approval, you must meet certain requirements regarding your location/company headquarters, qualified personnel and handling that complies with animal welfare legislation.</p> <p>For a type 2 license, you must meet some additional requirements. You can find detailed information on the two approvals in the "Requirements" section.</p> <p>The approvals are issued for a maximum period of five years.</p> <p>A transport operation includes the entire transportation process from the place of dispatch to the place of destination, including unloading, storage and loading at intermediate stations.</p>

Modul

Sachverhalt

If there are any changes to the information or documents that you have communicated to your veterinary office as part of the approval, please inform your veterinary office no later than 15 working days after the change.

Erforderliche Unterlagen

• Applying for approval as a transport company
The following proofs and declarations are required for type 1 approval: Proof of sufficient and suitable personnel
Proof of sufficient and appropriate equipment
Declaration that you or your representatives have not committed any serious infringements of Community and/or national animal welfare legislation in the last three years
Declaration that you or your representatives have not applied for approval from any other competent authority in Germany or a Member State
The following proofs are also required for a type 2 license
Certificates of competence for all drivers and attendants used for long journeys
Valid certificates of approval for all means of road transport used for long journeys
Proof that you can track and record the movements of your road vehicles and maintain constant contact with the drivers
Emergency plans that come into effect in urgent cases
Please ask your competent veterinary office whether you need to submit any further documents.

Voraussetzungen

Requirements that you must fulfill in order to obtain a type 1 permit (transport duration up to 8 hours):

- You are based in Germany or, if based in a third country, have a representative in Germany.
- You have proven that you have sufficient and suitable personnel as well as sufficient and suitable equipment and procedures.
- You or your representatives are not known to have committed serious infringements of Community and/or national animal welfare legislation in the last three years. If, in the opinion of your competent veterinary office, you have sufficiently demonstrated that you have taken all necessary measures to avoid further infringements, an approval may still be granted.

Modul	Sachverhalt
	<p>Requirements that you must fulfill in order to obtain a type 2 approval (transport duration longer than 8 hours):</p> <ul style="list-style-type: none"> • You fulfill all the requirements for a type 1 approval. • You have submitted valid certificates of competence for all drivers and attendants used for long journeys. • You have submitted valid certificates of approval for all means of road transport to be used for long journeys. • You have submitted details of your procedures for recording the movements and tracking of your road vehicles. • You have submitted details of your procedures for keeping in constant contact with your drivers. • You have submitted contingency plans to be used in urgent cases.
Kosten	Fee: 10 to 500 EUR
Verfahrensablauf	After submitting your application and providing all the necessary documents, your application will be checked and documented by the responsible veterinary office. If the requirements are met, approval will be granted.
Bearbeitungsdauer	
Frist	You must apply for a license before you start working. You may only start working once you have received the license.
