Sachverhalt

- agricultural specialists,
- assistants and
- Business economists for nutrition and supply management (specialist academy).

Participation in demanding educational measures that serve to develop interdisciplinary and general professional and social skills or personal development, such as

- Language courses (also abroad),
- rhetoric seminars,
- personality training,
- IT seminars and
- extra-occupational courses of study that build on the scholarship holder's training or professional activity in terms of subject matter/content. However, a prerequisite is that the scholarship holder is also employed with a regular working week of at least 15 hours.

Eligible costs

Funding for a measure is applied for before it begins. If the measure is eligible for funding, grants can be awarded for

- Costs of the measure
- travel costs
- Accommodation costs
- Necessary work equipment
- Examination costs
- IT bonus of 250 euros for the purchase of a computer in the first year of support in connection with a measure.

The admission year always counts as the first funding year - regardless of the specific admission date. The scholarship regularly ends on December 31 of the year after next.

Within the funding period, grants totaling EUR 9,135 can be applied for from the responsible body for eligible further training. This amounts to EUR 3,045 per year - with a personal contribution of 10% per
