Teaser	Driving school owners who operate branches of their driving school require a branch permit.
Volltext	The operation of branch offices of a driving school (i.e. classrooms at locations other than the main operating location of the driving school) is only permitted if - in addition to the driving school permit (see related topics) - a branch office permit is available for each branch office. The district administrative authority at the location of the branch office is responsible.
Erforderliche Unterlagen	• indication of the name and address of the driving school and for which category of motor vehicles he/she wishes to obtain the driving school branch licence • Declaration of whether a driving school permit has already been issued and by which authority • a plan to scale of the classrooms with details of their equipment • Declaration that the prescribed teaching materials are available • List of the number and type of training vehicles • If more than ten branches are applied for: Submission of additional evidence of business organisation (e.g. use of a certified quality management system).
Voraussetzungen	The classroom, the teaching materials and the teaching vehicles must meet the legal requirements. It must be

	ensured that the holder of the driving school license or the person appointed to be responsible for the management of the training company can meet the obligations under Section 29 of the Driving Instructors Act under the circumstances, in particular due to the number of branches or their physical distance and the number of driving instructors. The total number of branches should not exceed ten. In the case of group driving schools, this regulation also applies to each partner.
Kosten	Fees and expenses are charged in accordance with the German Road Traffic Fee Regulations (GebOSt).
