Hinweise	The holder of a permit must notify the competent authority within two weeks of the commencement and cessation of operations as well as the opening and closing of a branch office or dependent branch. If the commercial arms trade is to be operated by a deputy, a separate deputy permit must be applied for for this person. This also applies if someone is appointed to manage a branch office or a dependent branch. The deputy permit is linked to the associated arms dealing permit. The same requirements must be met for a deputy permit as for an arms dealing permit.
