Teaser	If you want to ensure that no one is allowed to park or stop in a certain area for a certain period of time, you can apply for a temporary no-parking zone.
Volltext	<p>Setting up a temporary no-parking zone can be useful if, for example, you are planning a move, are expecting a delivery or are having construction work carried out. If you want to set up a temporary no-parking zone, you must apply for permission from the responsible authority in advance. After approval from the responsible authority, you may receive road signs that you must put up in good time so that other road users are informed. Depending on the local conditions and your needs, you may be approved for a one-sided or two-sided road closure.</p>
Erforderliche Unterlagen	written main application with information on Location Period required length in meters If applicable, power of attorney if you are submitting the application on behalf of someone else
Voraussetzungen	You have a legitimate interest in establishing a no-parking zone, which justifies the need for a temporary traffic restriction.
Kosten	30.00 EUR - 200.00 EUR The amount of the fee depends on the duration and scope of the permit.
Verfahrensablauf	You submit your application together with the required documents to the responsible authority. The

responsible authority will examine your application and, if necessary, request any missing information or documents from you. The responsible authority will inform you of its decision on the application in writing. If the responsible authority approves your application, you will receive a road traffic order to put up the necessary traffic signs. You put up the traffic signs and record the time and exact location of their installation in a written report. Alternatively, you can commission an installation service. If you no longer need the no-parking zone or the permit period has expired, make the signs invalid. If necessary, return the signs to the lending location.

Bearbeitungsdauer

Processing is usually immediate or timely.

Frist

Submit the application at least 14 days before the intended establishment of the temporary no-parking zone. The duration of the no-parking zone is specified in the permit. The required traffic signs must be put up at least 3 days before the no-parking zone is used.

Hinweise

They may only put up traffic signs in accordance with the Road Traffic Regulations (StVO). In the event of damage, you as the applicant may be liable. Unauthorized vehicles in the designated no-parking zone can be removed. Do not block off parking spaces with ropes, tape, boxes or chairs. Other people looking for a parking space can and are allowed to clear these obstacles and park in them. The police will also intervene if they see such barriers. A warning or fine is often issued.
