Handlungsgrundlage	This is a purchase contract according to the German Civil Code (BGB) German Civil Code (BGB) https://www.gesetze-im-internet.de/bgb/
Teaser	You can buy game from the district foresters' own hunts.
Volltext	You can buy venison from roe deer, red deer, fallow deer or wild boar, cut open with the skin or rind. These terms come from hunting language; they refer to the whole animal including the head and legs but without the innards. The game comes from ecologically necessary hunting in the Hamburg state forests. The offer varies depending on the forest district and depends on the game species present and the hunting season. The Klövensteen and Niendorfer Gehege district forestry offices hold sales promotions for prepared game meat, such as leg, back, salami, on certain occasions (e.g. St. Hubertus, the pre-Christmas period, Easter). The information will be published in press releases. https://www.hamburg.de/politik-und-verwaltung/behoerden/bukea/themen/agrarwirtschaft/wald
Erforderliche Unterlagen	no
Voraussetzungen	no
Kosten	The purchase price depends on the type of game and its weight and is calculated according to the current game price list, which is available in every district forestry office. In addition, there is VAT, currently at 7%. In the case of wild boar, additional costs for the veterinary examination and trichinae inspection will be charged if this is carried out by the district forestry
