Handlungsgrundlage	§ 19 Law on the protection against harmful environmental effects caused by air pollution, noise, vibrations and similar processes (Federal Immission Control Act BImSchG) https://www.gesetze-im-internet.de/bimschg/_19.html Fourth Ordinance on the Implementation of the Federal Immission Control Act (Ordinance on Installations Requiring Approval - 4th BImSchV) Appendix 1 https://www.gesetze-im-internet.de/bimschv_4_2013/anhang_1.html
Teaser	Are you applying for approval of installations using the simplified procedure? You can then obtain a permit from the competent authority to construct and operate facilities of a certain type or size without public participation.
Volltext	You can obtain approvals for systems of a certain type or scope using a simplified procedure. In this case, the procedure takes place without public participation.
Erforderliche Unterlagen	written or electronic application required drawings, plans or reports Explanations of the system If necessary, the responsible authority will provide you with further documents
Voraussetzungen	You apply for the simplified procedure within an application for approval and construction or substantial modification. You must prove that you will fulfil the obligations of the Federal Immission Control Act when constructing and operating a plant. The project does not conflict with any other public law regulations or occupational health and safety concerns.
Kosten	Fees apply. The amount of the fees depends on the

Modul	Sachverhalt
	investment amount or the administrative costs. They are calculated based on the Hamburg Environmental Fees Ordinance.
Verfahrensablauf	You submit a written or electronic application. The responsible authority will check your application and your documents for completeness. If necessary, they may request further documents or information from you. The simplified procedure takes place without public participation. No documents or plans are made available. There is no hearing. Once the responsible authority has determined all the circumstances that are relevant for granting a permit, it will decide on the application. You will receive a written decision with the reasons for the decision.
Bearbeitungsdauer	The processing time is 3 months after receipt of all necessary documents.
Frist	You need the permit before you can start constructing or operating the facilities.
