Hinweise	Night and shift work is regulated by the Working Hours Act. If you consider it necessary for operational reasons and you do not endanger the health of your employees, you can apply for an exception. This also includes the possibility of extending the working hours on weekdays to more than eight hours without compensation if the working hours regularly include a significant amount of work or on-call duty and special regulations ensure that the health of the employees is not endangered.
Rechtsbehelf	contradiction Objections to the decision can be lodged with the Office for Occupational Safety and Health within one month of notification. An unsuccessful objection procedure is subject to a fee.
Kurztext	The Office for Occupational Safety and Health can authorize night work in the case of: shift work
