Handlungsgrundlage	Animal Health Act (TierGesG) Regulation (EU) No. 702/2014 Hamburg aid guidelines
Teaser	They may receive aid for measures to prevent, control, monitor and eradicate animal diseases in sheep and goats.
Volltext	They may apply for aid for measures for the early detection and prevention, control, monitoring and eradication of animal diseases and epidemic animal diseases or zoonoses in sheep and goats. You will receive the subsidies as voluntary services for laboratory diagnostic tests for brucellosis and for official animal identification and the associated advice. You can also apply for subsidies for the removal and disposal of fallen stock.
Erforderliche Unterlagen	Evidence of the number and results of genotyping Accounting for the genotyping performed Declaration of participation in the restructuring proceedings and Recognition of stocks
Voraussetzungen	You have registered the animals correctly. You have registered new animals subsequently. You have paid your contributions to the Hamburg Animal Disease Fund on time.
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	Use the form provided by the competent authority to apply for aid and submit it with the required documents. The responsible authority will examine your application and your documents. If necessary, it will request further documents or information from you. The competent authority will decide on your application. The competent authority will calculate the amount of aid if necessary. You will receive a
