of the procedure can be obtained from the responsible transport authority or when submitting the application. The evidence required for your application is required from the company, the legal representative and the person appointed to manage the business/traffic management. If the competent authority does not decide on the application within the statutory period, the approval is deemed to have been granted. Deadlines only begin to run once a decision-making application has been submitted. The processing time may depend, among other things, on whether all documents relevant to the decision have been submitted or whether additional requests for documents are necessary. The fees for issuing a rental car permit depend on the number of vehicles requested. The processing fee depends on the administrative effort involved. You can pay in advance. You can pay with a Girocard or, if necessary, a classic credit card. Payment by invoice is possible.
