Teaser	If you, as a hunting association, have a weapon ownership card (WBK) and want to purchase a firearm that requires a permit, you must apply for this.
Volltext	If you, as a hunting association, have a firearms ownership card (WBK) and want to purchase a firearm that requires a permit, you must first apply for a permit from the responsible authority. The permit is issued by the responsible authority by making an entry in the firearms ownership card (pre-entry). The pre-entry allows you to purchase a firearm that requires a permit within a certain period of time.

weiterführende Informationen	
Hinweise	When applying for a permit to purchase a firearm, you only need to state what type of weapon and what caliber you want to purchase. Additional information, such as the manufacturer and exact model, is not required at first. You only need to provide this information once you have purchased the weapon and have fulfilled your obligation to report the purchase of the weapon to the relevant authority. The gun dealer must also report the transfer of the weapon to you. To make it easier to fill out the declaration, you can use the National Weapons Register identification numbers (NWR-ID): Use your personal NWR ID (e.g. P- or F-NWR-ID) for personal information. Use the permit NWR ID (E-NWR ID) for information on firearms permits. The weapon or weapon part NWR ID (e.g. W or T NWR ID) is relevant for information on weapons or weapon parts. You can obtain the corresponding NWR IDs by submitting an application to the responsible weapons authority.
