Verfahrensablauf

You use the online service to apply for a residence permit and upload the required documents. The responsible office will then send you an appointment for an interview. Please bring all necessary documents, preferably in original, to the appointment. The responsible authority will check your identity and documents. The competent authority shall involve other authorities where necessary. If your application is approved, your fingerprints and signature will be taken and a biometric photo will be taken to produce the electronic residence permit (eAT). The responsible authority commissions an external agency, the Federal Printing Office, to produce your eAT. As soon as the eAT is ready, you will receive a notification and can pick it up in person from the responsible office. The responsible office will schedule an appointment for you. If the application is rejected, you will receive a rejection notice with the reasons for the rejection.

Bearbeitungsdauer

Processing will begin immediately at the appointment if all documents are complete. The delivery time for the electronic residence permit from the Federal Printing Office is typically two to four weeks.

Frist

Apply for an extension of your residence permit at least 10 weeks before the expiry of the temporary period at the immigration office responsible for your place of residence. The maximum period of your stay may not exceed one year.
