Sachverhalt

photo (45 x 35 mm) Description of the self-employed activity (business plan) Evidence of financing for the self-employed activity (e.g. proof of equity, financing commitment from a bank). Extract from the commercial register or business registration Evidence of securing livelihood (e.g. proof of income, equity, blocked account, declaration of commitment) Proof of health insurance coverage (e.g. confirmation of health insurance coverage or insurance policy). After reaching the age of 45: Proof of adequate retirement provision (e.g. proof of own assets, acquired pension entitlements, business assets) In individual cases, you may be asked to provide additional documentation. You may also need to provide the immigration authorities with proof of your degree from a state-recognized university or comparable educational institution in Germany or your old employment contract as a scientist or researcher in order to once again prove the connection between your previous activity and your business idea.

Voraussetzungen

The same requirements apply as when the residence permit was first issued. The validity of your current residence permit will expire in the near future. You want to continue your self-employed or freelance activity in Germany. Your independent activity continues to be related to the knowledge you acquired during your university education or during your work as a researcher or scientist. You can secure your livelihood without relying on public benefits. You can secure your health insurance coverage without relying on public benefits. If you are aged 45 or over: You can provide evidence of adequate retirement provision (does not apply to persons with Turkish nationality). There is no interest in deporting you.

Kosten

examine your application and, if necessary, request any necessary documents or information from you. The responsible office will contact you to arrange an appointment. During the appointment, your identity and documents will be checked (please bring your documents, preferably in the original, with you to the appointment). If your application is approved, your fingerprints will be taken to produce a new electronic residence permit (eAT card). You pay the applicable fees. The Federal Printing Office will be commissioned to produce your new eAT card. Once completed, you will receive information and can collect the residence permit in the form of the eAT card in person. If your application is rejected, you will receive a rejection letter. In this case, you will also have to pay an administration fee.

Bearbeitungsdauer

You should expect processing to take 6-8 weeks. If you submit all the required documents in full and well prepared, processing may be quicker. After approval, it will then take another 4-6 weeks for the Federal Printing Office to produce your electronic residence permit.

Frist

You must submit your application before your current residence permit expires (4-6 weeks in advance is recommended).
