Teaser	The aviation authority is, in addition to the trade supervisory office, the competent authority for the issuance of permits for the burning of fireworks, provided that the place of ascent is located in the state of Bremen (Bremen and Bremerhaven) and there is an airfield within a radius of 1.5km.
Volltext	The aviation authority is, in addition to the trade supervisory office, the responsible body for issuing permits for the ascent of fireworks, provided that the ascent site is located in the state of Bremen (Bremen and Bremerhaven) and there is an airfield within a radius of 1.5km. Airfields in the state of Bremen are considered to be: • Bremen commercial airport • Helicopter special landing field Klinikum Bremen-Mitte, • Helicopter special landing field Klinikum Bremen Links der Weser, • Helicopter special landing pad Klinikum Bremen-Nord, • special helipad at the Bremerhaven Reinkenheide Clinic.

Modul
Sachverhalt

In addition, a permit is always required if the ascent height of the fireworks exceeds 300 meters, regardless of the ascent location.

If the planned ascent location is in Lower Saxony, you must contact the Lower Saxony Aviation Authority in Oldenburg to apply for a permit. This also applies if airfields are involved that are located in Bremen, but the ascent site is in Lower Saxony.

Erforderliche Unterlagen

- Approval of the Trade Inspectorate of the State of Bremen

Voraussetzungen

No special requirements.

Kosten

Gebühr: 60€
 60.00 EUR for commercial use. No fee is charged for private applicants.

Verfahrensablauf

Please use the special airspace use application. Please submit the following documents preferably by email to (ops@haefen.brmen.de):

- Application for special use of airspace
- Permit from the Trade Inspectorate of the State of Bremen

Without a permit from the trade supervisory authority, you will not receive a permit from us.

Bearbeitungsdauer

2 Woche(n)
 As a rule, 2 weeks. Please expect a longer processing time if the ascent is to take place near Bremen Airport.

Frist

We generally recommend a deadline of 4 weeks before the planned deployment to apply.
