Verfahrensablauf

- An application for registration must be submitted to the registration authority. The application can also be submitted by a representative (e.g. car dealer) with a written power of attorney.
- If a preferred license plate is desired, reservations can be made in person, in writing or by telephone before the new registration, as well as online via the Internet.
- When the vehicle is registered to the new vehicle owner, a new registration certificate part I (formerly: vehicle registration document) is issued. It may also be necessary to issue a registration certificate part II (formerly: vehicle registration document).
- In the event of a change of owner, the previous license plates can continue to be used. In such a case, an existing fine dust sticker also remains valid.
- The insurance company is automatically informed by the registration authority about the allocation of the license plate.

To avoid longer waiting times, appointments can be

Hinweise

- When registering a vehicle, a written direct debit authorization is required for the customs administration to collect the vehicle tax.
- Vehicle tax exemption or reduction due to severe disability: Severely disabled people with the "H", "BI" or "aG" mark on their severely disabled person's pass continue to be exempt from vehicle tax. They do not have to submit a direct debit authorization based on the proof in their ID card. Further information can be obtained from the main customs office in Bremen on 0421 3897-0.
- To re-register a vehicle from abroad, please use the DLB: foreign license plate assigned only to the Bürgerbüro Nord. The Bürgerbüro Mitte does not re-register vehicles with foreign vehicle documents.
