Teaser	
Volltext	Anyone wishing to hold an outdoor event on public streets or squares requires a permit from the Public Order Office (so-called special use permit pursuant to Section 18 of the Bremen State Roads Act). Typical examples of such events are music events, stand-up concerts (for more than five people), cultural events, sports events and information events. Especially if you would like to hold an event in the city center (e.g. market square or Domshof), it is advisable to first contact the Public Order Office by telephone so that it can be clarified whether the desired area is available for the planned date. The organizer is responsible for cleaning the area used and for the costs of any necessary traffic signs. Note The Umweltbetrieb Bremen is responsible for events on public green spaces. Contact via sondernutzungen@ubtbremen.de or by phone 0421/361-67890.
Erforderliche Unterlagen	
Voraussetzungen	No special requirements.
Kosten	The fees for the special use permit depend on the scope and purpose of the event.
Verfahrensablauf	The application should be submitted at least 1 month before the start of the event. If the application is submitted at short notice, it cannot be guaranteed that the special use permit will be issued in time due to the necessary involvement of other authorities.
