Teaser	The disposal of packaging is the responsibility of the dual systems. You can register the collection of lightweight packaging (yellow garbage can, yellow bag) from your private household if this is offered.
Volltext	The dual systems are responsible for the disposal of packaging as defined by the Packaging Act. So-called lightweight packaging is collected in the yellow garbage can or yellow bag. This is sales packaging made of plastic, metal, composite materials and natural materials.
Erforderliche Unterlagen	• Address details (street and house number)
Voraussetzungen	What belongs in the yellow garbage can / yellow bag? Lightweight packaging made of plastic, metal, composite materials or natural materials such as • Plastic cups, sausage and cheese packaging, ice cream packaging, tins, drinks cartons, plastic bags, plastic cosmetics packaging, polystyrene packaging. The packaging should be emptied but not rinsed. What does not belong in the yellow bin/yellow bag? • Glass and paper/cardboard/cardboard packaging that is collected separately as such and sent for recycling. • "non-packaging of the same material" such as broken cleaning buckets, frying pans, plastic toys or metal screws • CDs, DVDs and their cases (special boxes are usually
