Sachverhalt

- Additionally for construction and assembly sites:
Information on the nature and severity of the work
Organization of working hours
Distance between place of work and place of residence
Duration of rest period at home
- Additionally for seasonal and campaign operations:
Information on the season or campaign
Organization of working hours
Period in which working hours are reduced

Voraussetzungen

You can apply to extend the daily working hours of your employees under the following conditions:

- For continuous shift operation, if additional shifts off are achieved. Additional shifts off are deemed to exist if the extension of working hours means that the employees concerned have more consecutive days off than before.
- For construction and assembly sites, particularly relevant if the place of work is far away from the employees' place of residence and the employees are guaranteed a correspondingly longer rest period at their place of residence for the extended working hours at the construction or assembly site.
- For your seasonal or campaign operation, if there is an exceptional workload for the particular season that cannot be absorbed by other organizational measures.

Kosten

Current costs (variable): from € 129.50 up to € 2,400.00. The current cost rates apply as amended. The current cost ordinance can be found in the legal bases.

Verfahrensablauf

You can apply in writing for approval for deviations from shift work.

- You submit an informal application.
- You send this to the local authority responsible for occupational health and safety, including the necessary documents.
- If the documents or information required for processing are incomplete, you will be contacted by the processing department.
- The local competent authority will review the application.
- Once the official review has been completed, you will
