## Modul

## Sachverhalt

### Hinweise

Transport packaging and containers must be taken back by the deliverers. The waste, recyclable materials and hazardous substances become the property of Die Bremer Stadtreinigung when they are placed in the collection bins/containers or handed over to the operating personnel. This also applies if they have already been unloaded or secured.

The deliverers are obliged to provide information about the origin of the waste and/or recyclables they deliver. The station's operating personnel are authorized to inspect all waste delivered and to reject waste, recyclable materials and hazardous substances, even if they have already been unloaded.
